The 1954 football team made its bid as one of the greatest football teams Grant has ever seen. The Pacers finished the season with the finest record in the history of Grant Union, with six wins, one tie, and one loss in conference play.

The only loss went to the Lodi Flames by a score of 14-7. Grant tied Turlock in a grueling, muddy battle, the score ending 7-7.

The Pacers overpowered their local

rivals, Sacramento and McClatchy, by scores of 19-0 and 20-7 respectively. This was the first time since 1946 that the Pacers had defeated Sacramento.

To top off the season, Fred Scott, Walter Torrence, Charlie Johnson, Ronnie Wenz, Bill Kuhlman, Andy Campos, Arnold Metcalf, and Dave Prohoroff were selected by the Sacramento Bee and Union to place on their All-City squads.

The 1954-55 varsity basketball team of Grant Union, under the guidance of Coach Ernie Marks, will long be remembered by its students, faculty, and administration. By winning all 26 of their conference and practice tilts, the Pacers became undisputed champions of the Sac-Joaquin Conference.

The "B" team wasn't quite as successful as the varsity, although they did finish as champions of their division.

Walter Torrence, Fred Scott, Tony Contreras, Oliver Stevenson, and Jerry Corker were named members of the All-City squad of seven.

Grant's varsity, to top off this perfect record, was invited to the Tournament of Champions in Berkeley on March 10, 11, and 12, where they finished third after losing a single game to the eventual champions, St. Ignatius, 44-43.
